

Birthday Party Safety Info

Basic Safety Rules:

- Please watch your step. Our facility has varying walking surfaces, steps, and raised matted areas throughout. There is a (marked) step up into the dance studio/party room and a (marked) step up into the training area in the big gym. There are bars in the training areas, beams underfoot, and trampolines built into the ground.
- For party guests, please ask them to wear comfortable clothing that they can jump and move in. Hair should be pulled back, and leave any jewelry, belts, buckles, hooded sweatshirts, oversized clothing, zippers, and barrettes at home. Party guests can wear socks or have bare feet. Comfortable shorts or pants and a T shirt is a good choice.
- In the common areas and the party room, please be sure to supervise your children at all times. Please leave skates and heelies at home. Please don't let the children stand on the benches or ram the windows. If you see a spill or a mess, please let us know. Supervise children in the bathrooms and let staff know if any supplies are running low.
- Finally, please know that parents cannot enter the training area. This includes the matted areas and the gym equipment. It's uncomfortable for the staff to have to ask a parent to get off the floor or equipment, and the parents don't like it either! We have a strict duty of care to provide a safe environment for our guests. The staff will supervise the children and make sure they are having fun and following the safety rules. We simply ask that the parents sit and relax on the benches provided throughout the gym, and leave everything else up to us!

*If anyone has a very small child or a child with special needs, the parent can sign a waiver for themselves, as well as their child, and can go on the blue sections of the gym floor with the child.
