# 2024-2025 Admission Agreement

☐ I am requesting to enroll my child in Cal Elite's licensed Preschool Academy. I have read and understand the program schedule, educational goals, tuition and fees and understand the following policies and terms:

☐ Cal Elite is licensed to care for children ages 2.5 - 6 years (Facility # 304370485.) I understand that Cal Elite embraces an active learning philosophy and that my child may come home happy and pooped. And sometimes with paint and glue and sparkles on his/her clothes.

☐ I understand that my child must be FULLY potty trained.

☐ I will drop off and pick up my child on time each day.

☐ I will properly sign my child in and out each day. I will notify Cal Elite if I intend on having someone else pick up my child. I understand that Cal Elite will require identification before releasing my child to my authorized caretaker and I will notify my caretaker of this requirement.

☐ I understand that I will be enrolled in automatic billing (Visa or Mastercard) and that tuition is billed on the 1st of each month.

☐ Tuition is based on a flat monthly charge and has been determined with consideration to many factors including the fact that some months have extra days (5th weeks) and some months have holidays. Cal Elite does not charge for extra days in a month nor does it credit holidays. Cal Elite has the right to dismiss a student for lack of payment.

☐ Cal Elite is closed for the following holidays when they fall on a school day: Labor Day, Thanksgiving Day and the Friday following Thanksgiving Day, December 24-26, December 31, January 1, and Memorial Day and Independence Day.

☐ We understand that children have reasons to be absent. We do not issue refunds, however, we do allow a maximum of 5 makeups per year (August-July). Please contact our assistant director 24 hours in advance if a spot for a makeup is available on the day you are requesting. Miss Magdalena's email is [M.Johnson@calelite.com](mailto:M.Johnson@calelite.com). \*We are not able to offer makeups on our preschool party days.

Cal Elite establishes this Admission Agreement before the school year each year and we do not anticipate changes. If we need to amend this agreement we will provide 30 days notice of such amendment(s).

The Department of Social Services oversees licensed childcare programs and reserves the right to visit and inspect licensed programs. The licensing agency has the right to interview students and staff and may do so without prior consent. The licensing agency may audit, inspect and copy any child's records and remove them from the premises for necessary copying reasons. Additionally, the licensing agency has the authority to observe the physical condition of any child that may be subject to neglect, abuse or inappropriate placement. You can find more information about Title 22 Regulations at [www.cdss.ca.gov/ordPG587.htm](http://www.cdss.ca.gov/ordPG587.htm)

Cal Elite sincerely adores all children. If a child, adorable as can be, presents behavioral issues that notably impact the progress and development of other students or in any way jeopardizes the safety of other students or staff; or if Cal Elite determines that our program is not suited to provide the most appropriate care for a child, we have the right and obligation to dismiss the child from our program. Such dismissal may be immediate and without notice.

I have read and understand the Cal Elite Preschool Academy Handbook and agree to the guidelines set forth herein.

# Important Daily Policies

Please initial each policy

- ☐ Please properly sign your child in and out each day. If someone else will be picking up your child, please ensure that this person is listed on your Authorized Pick Up Form and that s/he arrives with ID.
- ☐ Please send in an extra set of clothes in a ziplock bag. Extra clothes are needed for art that misses the paper, lunch mishaps, restroom mishaps and other events that are in the job description of a child.
- ☐ Check our calendar! We have lots of special days and we want each child to be ready to participate.
- ☐ Ensure that your child is wearing his or her complete school uniform. (Red Cal Elite shirt; solid black shorts, leggings or sweat pants; Cal Elite sock-shoes; and Cal Elite sweatshirt if needed.) Uniforms help us readily identify our preschool students. Do not cover your child's uniform with a non-uniform jacket. Uniforms are available in the Elite Boutique.
- ☐ Per licensing, full day preschool students must have their own fitted crib sheet with their name on it. We are bound by this requirement whether or not a student chooses to nap.
- ☐ Half Day students need 3-4 snacks. Full day students need 3-4 snacks and a lunch.
- ☐ We are a peanut free school. No peanut products.
- ☐ Students must have a (labeled) water bottle.
- ☐ School begins at 8:45 a.m. Cal Elite offers a free 15 minute free play session from 8:30 - 8:45 a.m. We cannot have students in the play areas before 8:30 a.m.
- ☐ Students must be picked up on time. Half Day pick up is 11:45 sharp. Full day pick up is 3:00 p.m. sharp. Extended Care pick up is 5:00 p.m. We maintain strict schedules and student-teacher ratios.
- ☐ A late pick up fee/early drop-off fee of \$1 per minute will be assessed, starting at 11:46 a.m., 3:01 p.m. and 5:01 p.m.
- ☐ Refunds will not be offered for absences, regardless of the reason for the absence. Makeups are limited and must be requested 24 hours in advance. Email [MJohnson@calelite.com](mailto:MJohnson@calelite.com) for approval.

Thanks for your understanding of and cooperation with these policies. These policies are designed to help us implement and maintain a professional, quality program that meets the important goals of our licensing agency, offers a safe environment for our students and facilitates the mutual respect of teachers, administrators, families and students.

## Sign In/Sign Out Policy

The State of California requires that licensed child care centers have a written policy reflecting that parents must properly sign their child in and out each day. Pursuant to this mandate and in an effort to maintain practices that promote the safety and well being of our students, Cal Elite has implemented the following **Sign In/Sign Out Policy**:

I/We understand that the Child Care Licensing Division of the California Department of Social Services requires licensed child care centers to obtain the full signatures of parents when dropping their child off (sign in) and when picking their child up (sign out.)

I/We agree that I/We will sign my/our child in and out each day s/he attends school, using my/our full legal signature.

I/We also understand and agree that Cal Elite Kids will not release my child to anyone who is not on the Authorized Pick Up List and that anyone so authorized by me to pick up my child will be required to show a valid photo I.D. The Cal Elite Staff member overseeing drop off and pick up must also sign next to the Authorized Pick Up person's signature.

## Late Pick Up Policy

We appreciate those parents who consistently pick up their child on time. When a child is not picked up on time, our business and educational operations are compromised. Unfortunately, after years of resisting, we have found it necessary to impose a Late Pick Up Policy.

When a child is not picked up on time we are forced to hold a teacher over to cover state mandated student-teacher ratios. The California Labor Code requires that employees be given a 30 minute lunch break. When students are not picked up on time, a teacher's lunch break is delayed and another teacher must cover for that teacher. This affects our student-teaching ratios and causes teachers to go into overtime. In addition, our teachers have their own personal obligations after work. When a child is picked up late our teachers are late to appointments, meetings and picking up their own children after school.

**A late fee of \$1 per minute will be assessed when a child is not picked up on time. The late fee begins promptly at 11:46 a.m., 3:01 p.m. and 5:01 p.m. This fee will show up on the next billing statement.**

## Early Drop Off Policy

Students may not be dropped off before their scheduled drop off time. School begins at 8:45 a.m. Cal Elite offers a complimentary free play period from 8:30 - 8:45 a.m. in the Big Gym. The teachers will call the students out to the play area at 8:30 a.m. Students may not enter the play areas until they are called out to play by the teachers. Parents and siblings are welcome to visit and enjoy morning playtime from the benches but may not enter the play areas at any time

Early Care is offered from 7:45 - 8:45 a.m. Without exception, students must be enrolled in Early Care in order to be presented or dropped off at Early Care. This is a paid for feature and enrollment (and tuition) is required.

Our afternoon half day begins at 12:00 p.m. Students may not be dropped off before 12:00.

Thank you for helping us to ensure that students are properly supervised at all times and that we are able to meet our student-teacher ratios at all times.

# Potty Independent Requirement

## Potty-Trained Policy and Procedures:

Children must be fully potty-trained before beginning enrollment.

Potty training is a necessary part of any child's upbringing. It is a vital developmental step that gives children the independence to function on their own.

The independence of a 'fully potty-trained' child is a requirement at Cal Elite Preschool Academy. Independence means that the child has the awareness to use the bathroom without reminders, is able to manage clothing with minimal assistance and has the ability to clean themselves appropriately to maintain clean hygiene. Our facility is not designed for non-potty trained children and our staff are not hired to potty-train children.

If your child is still unable to stay dry after 2-3 consecutive pee accidents OR for 5-6 nonconsecutive pee accidents, we may request a two-week reprieve from school to work on potty skills.

If your child has 1-2 poop accidents, we may request a two-week reprieve from school to work on potty skills. We do not change poop accidents. You will need to come to the facility to change your child and take them home.

Disposable training pants or disposable pull-ups are not considered acceptable substitutions for being fully potty trained.

Children withholding pee or poop is not considered an acceptable substitution for being fully potty trained. To support and encourage healthy habits, your child will need to leave in your care if they are holding their pee for 2 or more hours or holding their poop at any time. We may request a two-week reprieve from school to work on potty skills.

Children must be able to wipe themselves as the staff are not able to help with this.

We are passionate about your child's success at our school. Please be sure they are fully potty trained before beginning preschool with us. We appreciate your partnership on this.

## Make Up/Refund Policy

We understand that there are times when a child is not able to attend school. **We will do our best to accommodate makeups, however we do not issue refunds or credits for absences.** This is standard protocol in the preschool education industry. Our staffing and operations are based on our enrollment agreements with our families. Unfortunately, our operating costs do not decrease because a child is absent.

Depending on our fill rate, we allow a maximum of 5 makeups per year (August-July). You must ask our assistant director 24 hours in advance if a spot for a makeup is available on the day you are requesting. Miss Magdalena's email is [MJohnson@calelite.com](mailto:MJohnson@calelite.com). Her office number is (949) 589-1512 ext 37. **We do not allow makeups on our preschool party days.**

I understand that there are no refunds or credits given for absences, regardless of the reason for the absence. Depending on our program's fill rate, I understand that there is a maximum of 5 makeups per year and a makeup must be requested 24 hours in advance.

## Cal Elite Student Behavior and Safety Policy

Cal Elite is a privately owned and operated preschool.

Cal Elite is responsible for the safety and well being of its students, teachers and staff as well as the security of its facility, equipment and learning resources. Providing a safe and secure environment is tantamount to our operation.

Cal Elite understands that young children can make less than ideal choices and that their actions can lead to uncomfortable or hurtful consequences. The vast majority of such situations provide important learning opportunities for our students with respect to how to behave and how to treat their friends and teachers. These situations also provide experiences for children to learn how to apologize, forgive and also how to insist on respect.

There are times, however, when a child presents behaviors that prevent us from being able to assure a safe environment for that child and/or others.

If a child presents behavioral issues that notably impact the progress and development of other students or in any way jeopardize the mental, physical or social well being or safety of the child, other students or staff; or if Cal Elite Kids determines that our program is not equipped to provide the most appropriate care for a child, we have the right and obligation to dismiss the child from our program. Such a determination may be made through a series of behavioral challenges or may be made as a result of just one incident.

Examples of behavioral challenges that may be cause for dismissal include but are not limited to physical harm such as hitting, striking, biting, pushing, kicking or punching; emotional/social harm such as threatening, bullying, ostracizing or demonstrating discriminatory behaviors toward others; unusual destructive behaviors toward Cal Elite's property, the student's property or the property of other students; and any other behavior that jeopardizes the well being of the student, other students, teachers, staff, or property.

Such dismissal may be immediate and without notice.

# IMPORTANT INFORMATION FOR PARENTS

## CAREGIVER BACKGROUND CHECK PROCESS CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

The California Department of Social Services works to protect the safety of children in child care by licensing child care centers and family child care homes. Our highest priority is to be sure that children are in safe and healthy child care settings. California law requires a background check for any adult who owns, lives in, or works in a licensed child care home or center. Each of these adults must submit fingerprints so that a background check can be done to see if they have any history of crime. If we find that a person has been convicted of a crime other than a minor traffic violation or a marijuana-related offense covered by the marijuana reform legislation codified at Health and Safety Code sections 11361.5 and 11361.7, he/she cannot work or live in the licensed child care home or center unless approved by the Department. This approval is called an exemption.

A person convicted of a crime such as murder, rape, torture, kidnapping, crimes of sexual violence or molestation against children **cannot by law be given an exemption that would allow them to own, live in or work in** a licensed child care home or center. If the crime was a felony or a serious misdemeanor, the person must leave the facility while the request is being reviewed. If the crime is less serious, he/she may be allowed to remain in the licensed child care home or center while the exemption request is being reviewed.

### How the Exemption Request is Reviewed

We request information from police departments, the FBI and the courts about the person's record. We consider the type of crime, how many crimes there were, how long ago the crime happened and whether the person has been honest in what they told us.

The person who needs the exemption must provide information about:

- The crime
- What they have done to change their life and obey the law
- Whether they are working, going to school, or receiving training
- Whether they have successfully completed a counseling or rehabilitation program

The person also gives us reference letters from people who aren't related to them who know about their history and their life now.

We look at all these things very carefully in making our decision on exemptions. By law this information cannot be shared with the public.

### How to Obtain More Information

As a parent or authorized representative of a child in licensed child care, you have the right to ask the licensed child care home or center whether anyone working or living there has an exemption. If you request this information, and there is a person with an exemption, the child care home or center must tell you the person's name and how he or she is involved with the home or center and give you the name, address, and telephone number of the local licensing office. You may also get the person's name by contacting the local licensing office. You may find the address and phone number on our website. The website address is <http://cclid.ca.gov/contact.htm>
